

VISION STATEMENT

Our aim to be the contractor of choice for groundworks for housing developers in southern England and surrounding counties by providing an exceptional service. Our vision is to create and maintain an organisation which operates with honesty and integrity and provides a working environment that promotes personal development.

MISSION STATEMENT

Our mission is to provide a professional and profitable groundworks service to our clients.

We will accomplish this by establishing long term client relationships, built on honesty and integrity and an understanding their needs and expectations.

This shall be achieved by being committed to:

- Working in partnership with our clients.
- Delivering projects on time and within budget.
- Providing a competent and motivated workforce.
- Maintaining a fleet of modern plant and equipment.
- Protecting the health, safety and welfare of our workforce and other who may be affected by our activities.
- Helping our clients achieve their required build quality standards.
- Protecting the environment.

CORE VALUES

Our core values are:

To be honest and dependable. - We strive to complete all projects with complete integrity. All clients, suppliers and contractors will be treated with the utmost respect by our knowledgeable and friendly team.

To be proud of our reputation. - We are proud to have over 25 years of experience delivering services in all areas of groundworks.

Develop client relationships - Many of our clients have been with us from the start, and we're delighted to welcome them back time and time again.

To provide Community Support. - To build community value into every project while delivering professional expertise, exceptional customer service and quality construction.
